EXAM **FOCUS**

# Disclaimer

Please note that all the suggestions and observations are based on the STATISTICAL analysis of the previous year question papers. So studying only books/blocks/units/points given in this booklet may be risky, as University can change the question paper pattern and questions at any time.

Further, all marking details and patterns related to respective exam and blocks are exhibited for respective subjects so that one can easily make decisions/assumptions and follow the same for the study.

Though important books/blocks/units/points are given in this booklet but it is strongly advisable to go through the entire content provided by the University.

Please note that these are the

**MUST READ TOPICS**

and

**NOT THE ONLY READ Topics**

Also, the Guesses **are not expected** to be exact we used our logic of analysis and you can follow it **at your discretion**

**Just one request....kindly don't ask for any clarification regarding this document**
